Chords: G, C, G, D, G

Endings: G 1., 1., G 2., 2., 3.

This is a French Canadian tune with great dance energy. Part 2 is actually its first cousin, "La Grande Chaîne" which originated as a variant of the original French Canadian reel by a North Carolina stringband. Either tune can be used alone, or with both together. I actually had to alter the 2nd tune to make the two work together perfectly.
