

Shady Grove

Shady Grove, My true love

Shady Grove I say

Shady Grove, my true love

I'm bound to go away!

Went to see my Shady Grove

She's standin' in the door

Shoes & stockings in her had

Little bare feet on the floor

Cheeks as ruddy as the tallest tree

Eyes of flashing brown

He's the darlin' of my heart

Handsomest boy in town!

I wish I had a big fine horse

And corn to feed him on

A Pretty little girl to stay at home

And feed him when I'm gone

Peaches in the summertime

Apples in the Fall

If I can't have the man I love

I don't want none at all.

Some came here to pic and grin

Some came here to tarry

Some just came to learn some
tunes

Take home all you can carry!
