The hammering patterns are a little tricky starting in meas. 9. Play the C# with left hand on right treble bridge. The A# (B_b) is played with right hand way up on the 5th marker of the bass bridge. The D# is the string below the first marker on the left side of treble bridge (on a full-size HD) and the B is also on the left side - string above 2nd treble bridge marker. Then go back to the A# (B_b) on the 5th marker, bass bridge and the F# is the 3rd string above the 2nd bass bridge marker.
